INSURANCES.

THE HONGKONG FIRE INSURANCE COMPANY, LIMITED.

CAPITAL 2,000,000 DOLLARS,
in 2,000 Shares of 1,000 Dollars each.
Consulting Committee:—
GEORGE F. HEARNE, Esq.
WM. KAYE, Esq.
R. ROWLEY, Esq.
S. D. SASSON, Esq.
F. BUCKEY, Esq.
General Managers:—Messrs JARDINE, MATHESON & Co.

Head Office, No. 39, Queen's Road.

THE HONGKONG FIRE INSURANCE COMPANY, which expires by effluxion of time in a few months, having proved a highly successful undertaking, it has been determined by a large number of its shareholders to form a permanent Company, under the same management and with increased Capital.

It is proposed to register the Company under the Limited Liability Ordinance, and the amount of the Capital having been fixed at Two Millions of Dollars, it is considered that Insurers will be amply secured thereby, while at the same time each shareholder will know the extent of his individual liability. The capital proposed to be called up amounts to a large sum, and provision will be made for the creation of an ample Reserve Fund, which will, it is expected, in a very short time accumulate to an amount practically to give the fullest security both to Insurers and Insured, irrespective of the amount of Capital.

It is intended to anticipate the termination of the Old Company, by dissolving it from and after the 31st December next, and measures are being taken for that purpose. In anticipating a successful career for the New Company, it is only necessary to present to the public the results of the Old Company since its establishment in May 1866, as exhibited by the following figures:—

The total premiums collected from the 11th May 1866 to the present time, a period of only two years and five months, amount to \$304,727.72. The losses which have been paid within the same period have amounted to \$130,081.22, and include the large sum of \$85,270 lost by the Fire at Hongkong in Nov. 1867. The amount now at the Credit of the Working Account, after paying all Expenses and Re-insurances to date, exceeds \$160,000.00. These figures fully warrant the most sanguine expectations of success, and it is but reasonable to expect that, strengthened with larger Capital, the present undertaking cannot fail to prove at least as successful as the former one. The Old Company, when it entered the field, had to create a business for itself, but the New one, in taking over the outstanding risks and connections of the Old Company, will at once receive a very large amount of premium, and enter on a profitable and organized business. Moreover, there is no doubt that the risk of Fire in Hongkong has been greatly diminished by the Building Regulations now in force, and by the establishment of a Fire Brigade.

The following are the main features of the New Company:—
1. A First Call of \$100, to be paid upon each share on allotment, and a further Call of \$100 to be paid in Six Months; all further Calls to be determined upon at General Meetings of the shareholders.
2. Interest at 12 per cent per annum to be in the first instance allowed on the paid up Capital, such interest to be payable half-yearly, on 30th June, and 30th December. The profits after deducting the said interest to be applied thus:—20 per cent, pro rata, amongst such of the shareholders as shall have contributed or influenced business to the Company, and the remainder in forming a Reserve Fund of \$250,000.
3. When such Reserve Fund shall have been accumulated, the payment of interest to cease, and the profits to be applied thus:—20 per cent to be distributed as already mentioned amongst the shareholders who shall have contributed business to the Company; 30 per cent to the augmentation of the Reserve Fund until it shall reach \$1,000,000, at which figure it is to be permanently maintained; and the remaining 50 per cent to be distributed by way of dividend amongst the shareholders generally.
4. No shareholder to hold more than 250 shares.
5. The Company to be managed by General Managers, with the assistance of a Consulting Committee.
6. The Funds of the Company to be deposited in Banks or in Government Securities approved of by the Committee.

Over one half of the entire number of shares has already been taken up. The following is the form of application for shares, which should be filled up and signed by the applicant and left with the General Managers of the Company.
